Approach to Reduce Homelessness in Monterey County

MISSION

Excel at providing quality services for the benefit of residents **who are experiencing homelessness** while developing, maintaining, and enhancing the resources **that will ensure homelessness is rare, brief, and non-recurring.**

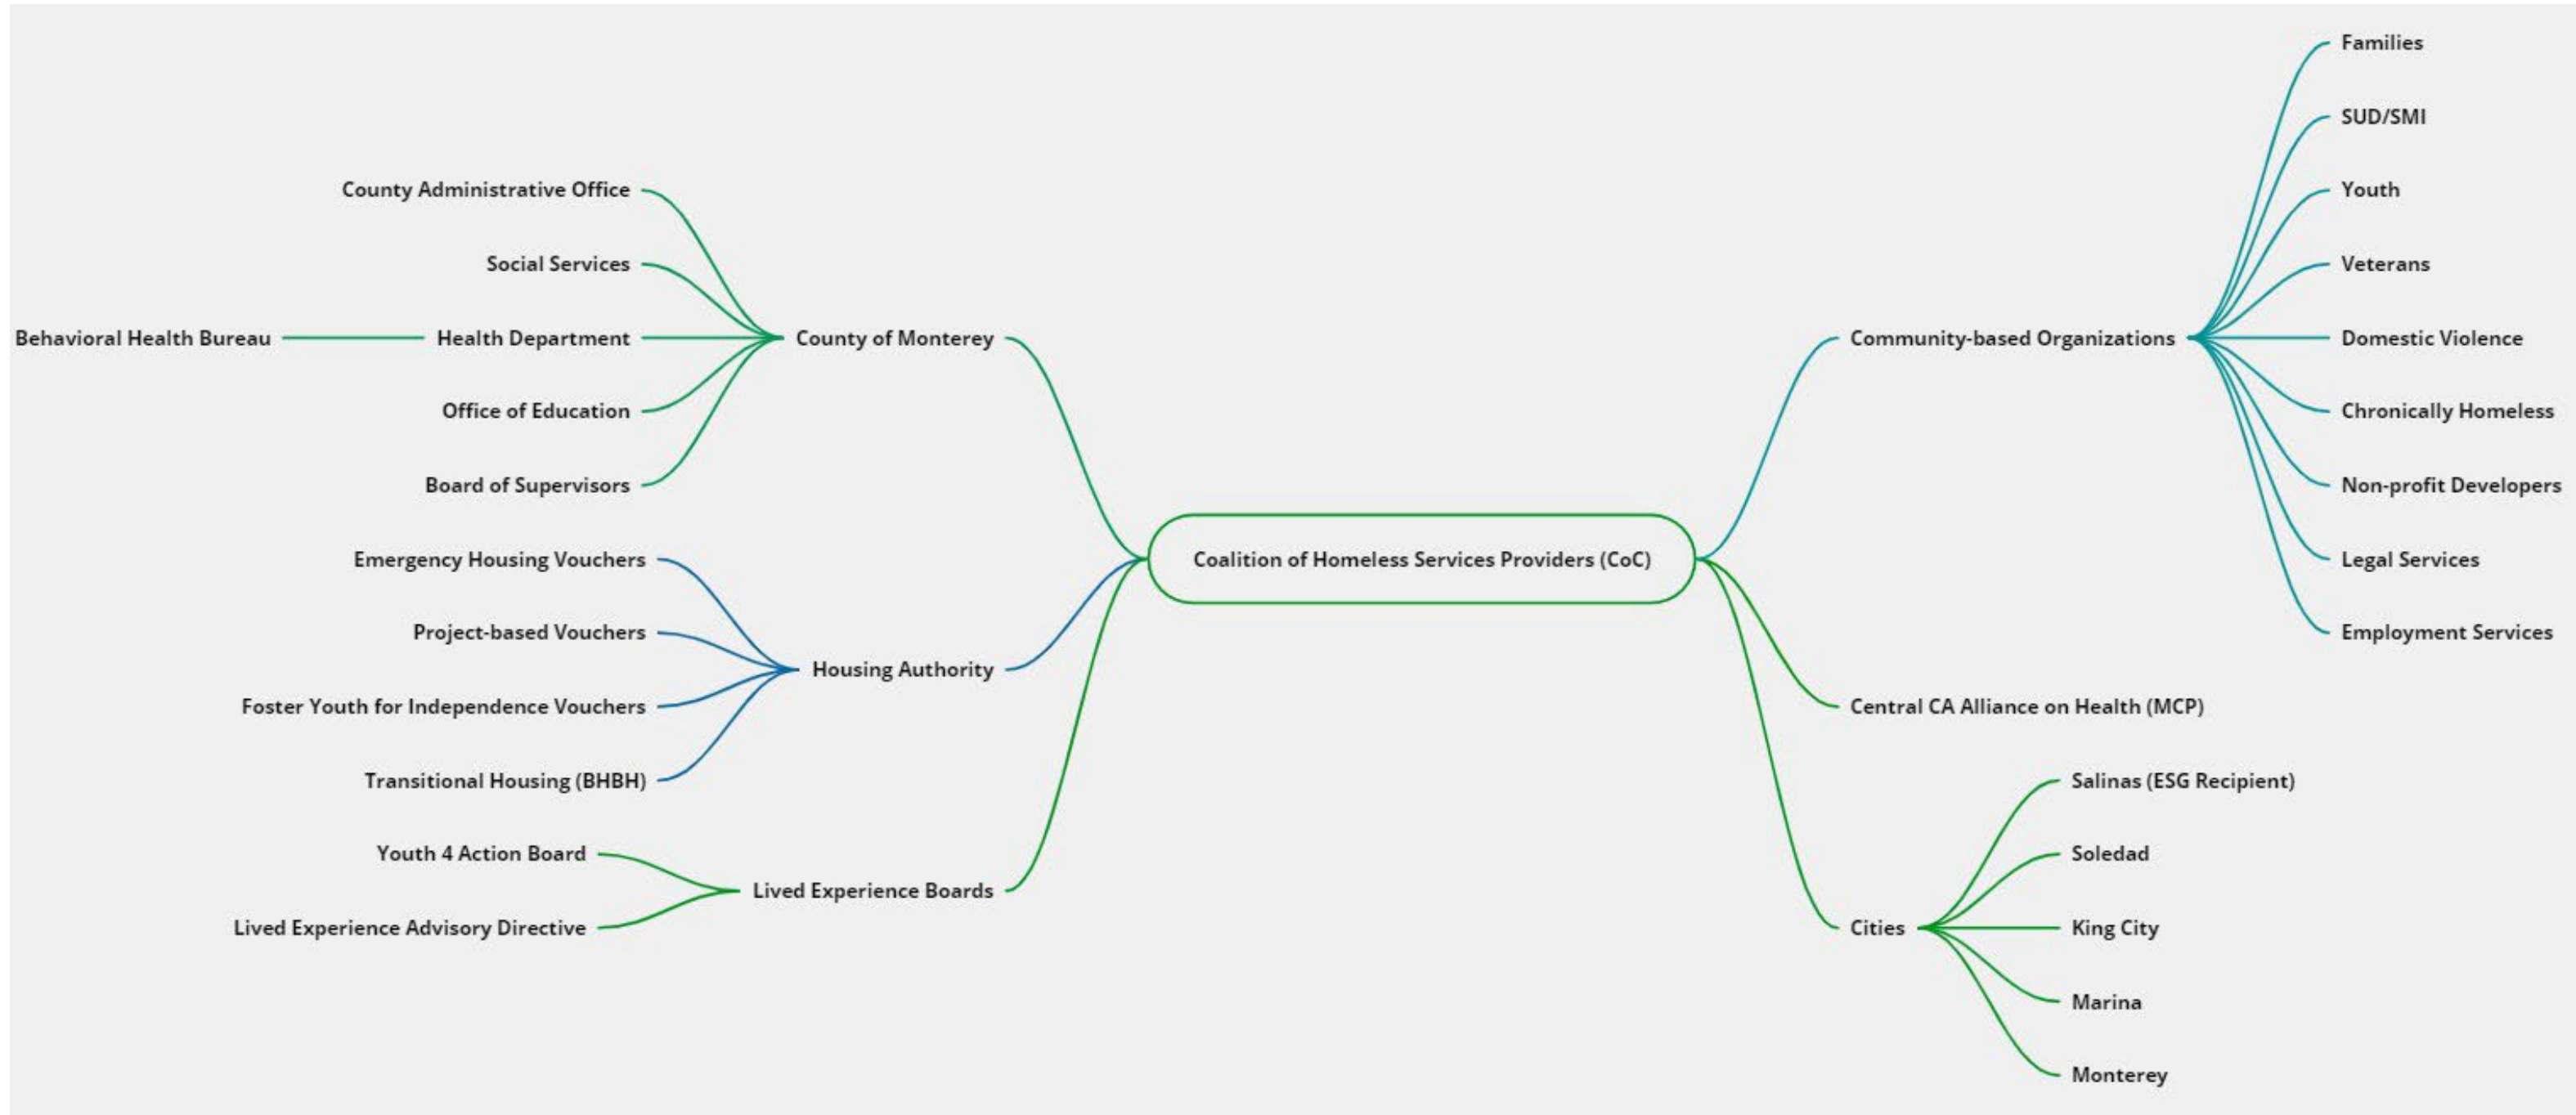

OUR VISION & MISSION

Vision

We envision a community where everyone has access to safe and stable housing and supportive services where needed; a community where people who are experiencing homelessness are quickly identified and provided with resources to help them resolve their housing instability with no wait time.

FUNCTIONAL ZERO

EXTENSIVE PARTNERSHIPS VIA COC

CHANGES TO OUR SYSTEM

THPSH

Increased Permanent Supportive Housing beds by over 900%. Reduced Transitional Housing beds by 30%

Increased ES Beds

Increased ES beds by over 110%.

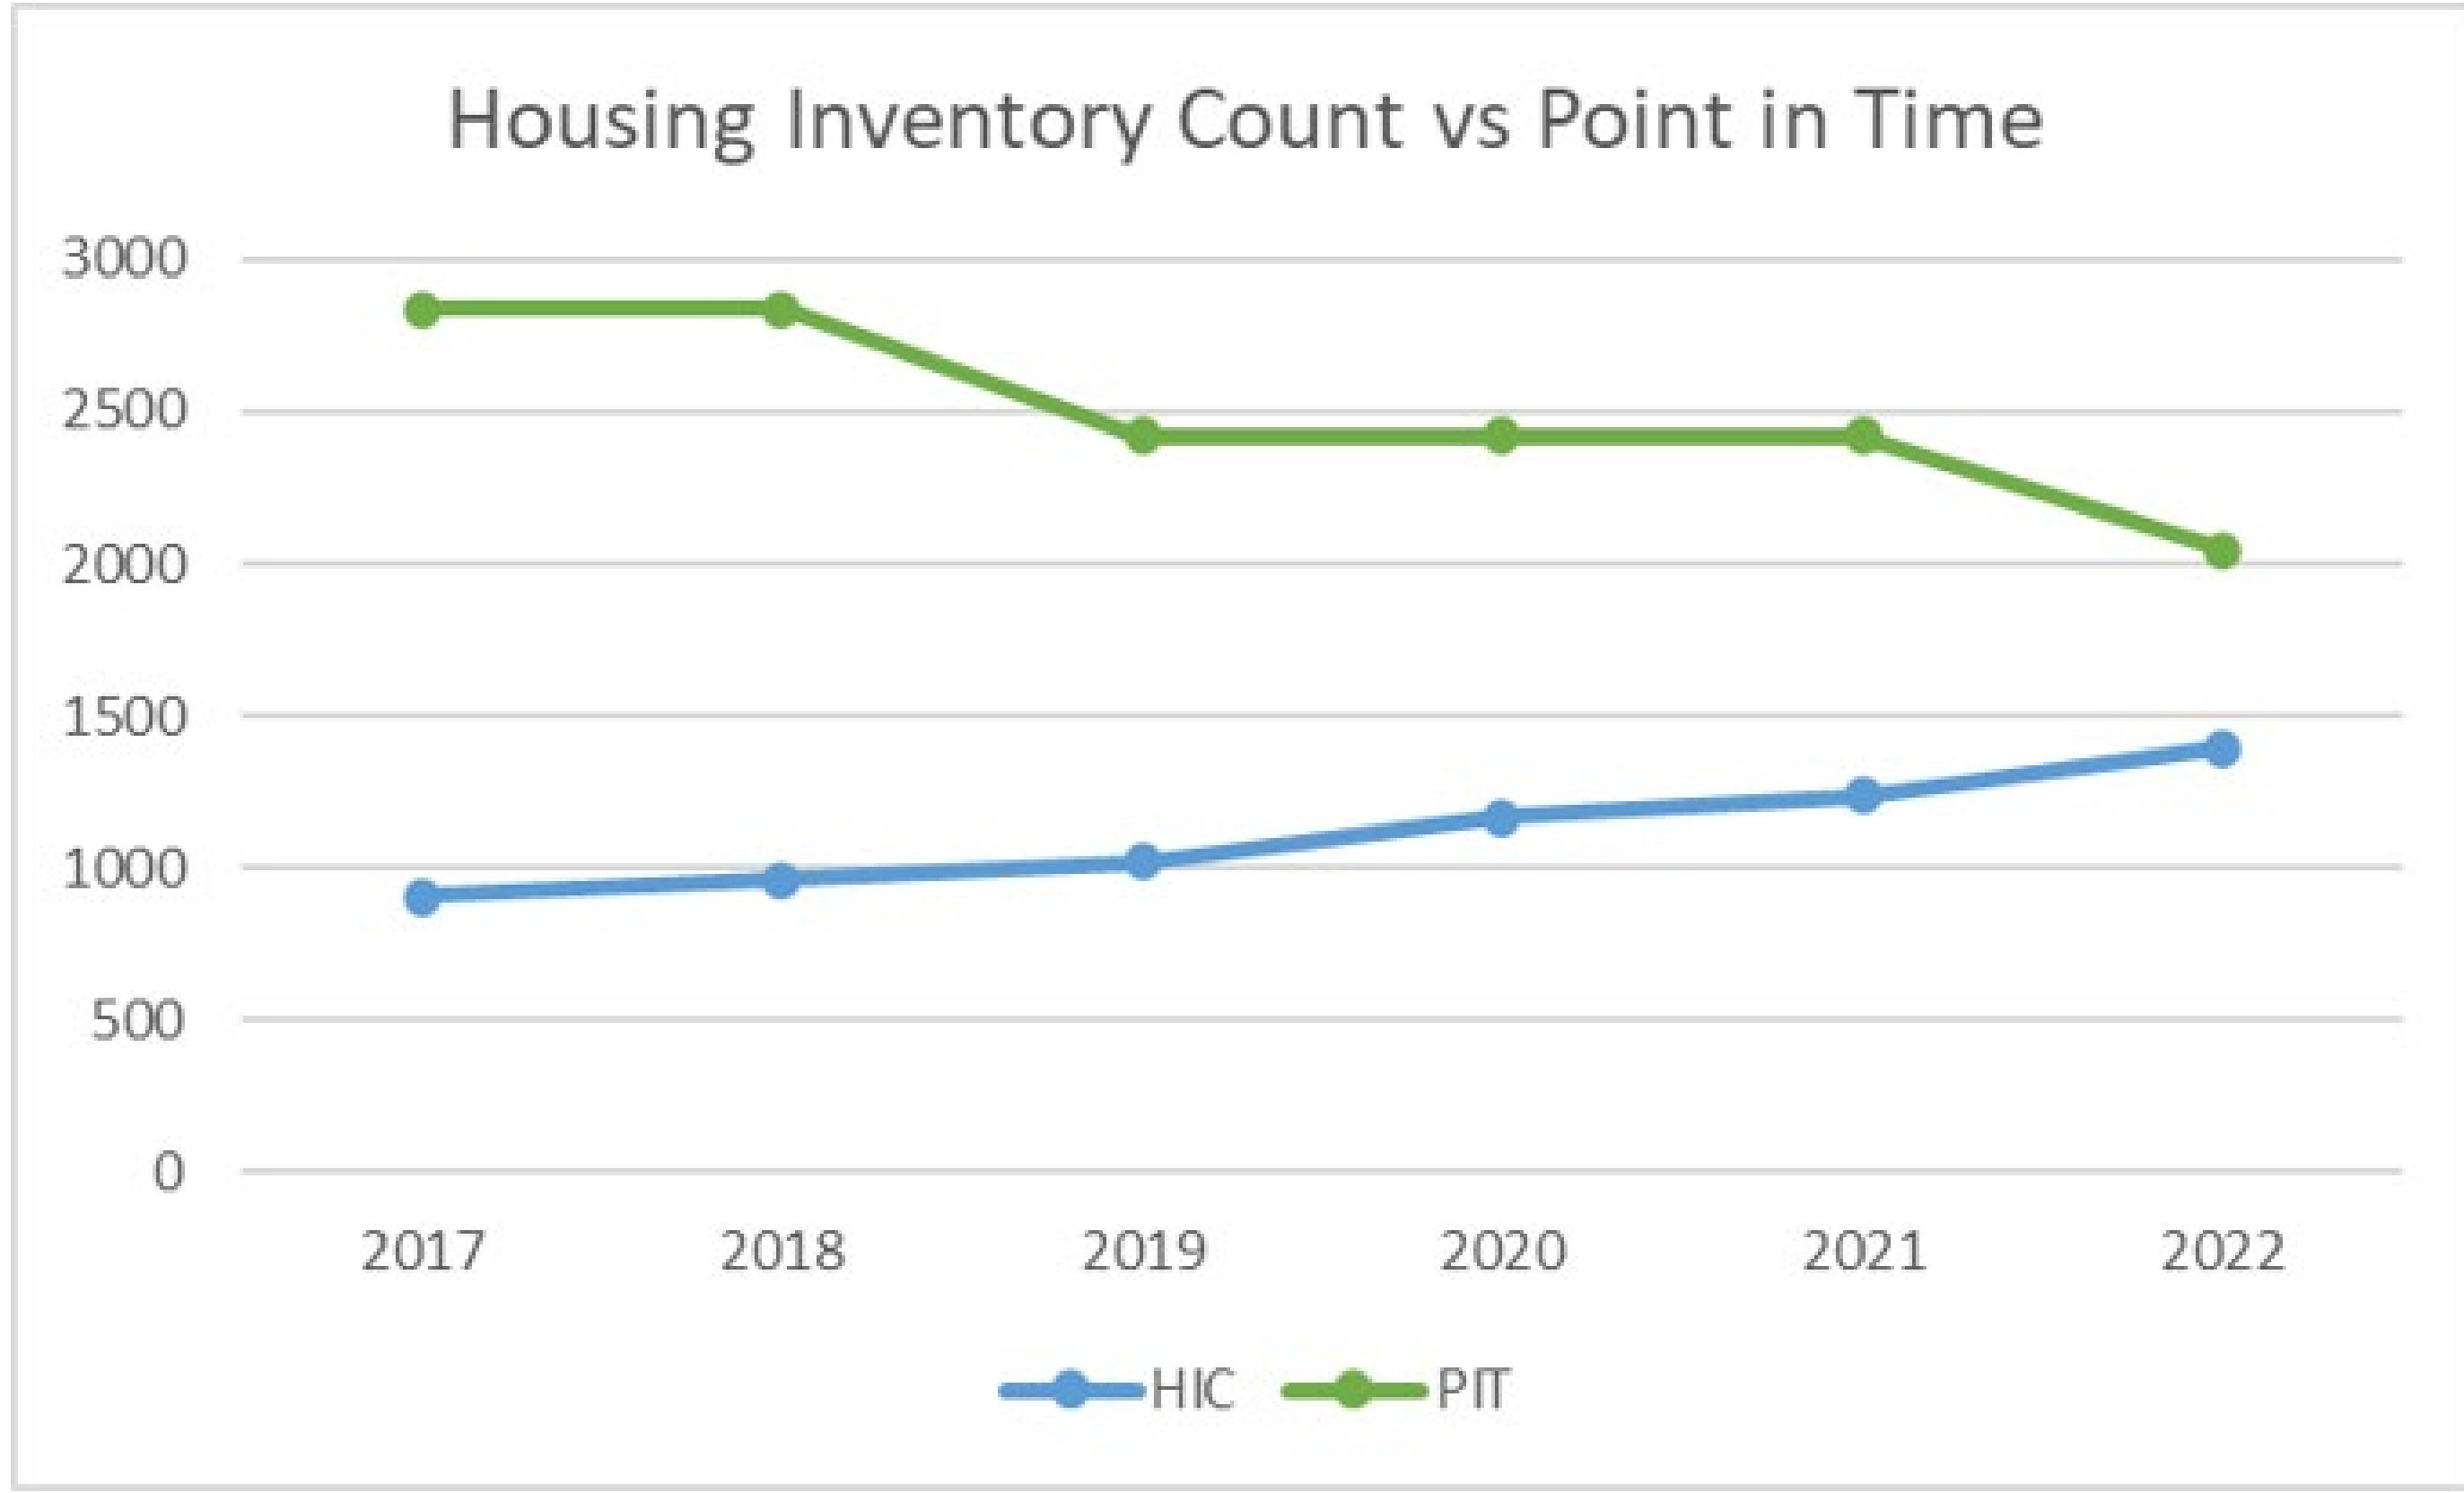

Layered RRH

Layered Rapid Re-Housing funding on top of all Emergency Shelter beds.

PIE

Created two Lived Experience Boards to assist (and sometimes lead) policy changes, review and rank projects, and design programs

OTHER IMPORTANT FACTORS

- For every 100 extremely low-income households in Monterey County, we only have 16 housing units
- Monterey County's two prominent industries are agriculture and hospitality
- Chronic Homelessness continues to rise
- Fair Market Rents are 54.5% higher than the State's average at \$2,340 for a studio apartment and \$2,879 for a 2-Bedroom
- Blacks/African Americans are 12x more likely to become homeless than their White counterparts
- Transition-aged youth have the lowest retention rates of all target populations
- We have an expansive Veteran-serving network in our community.
- The Lead Me Home Plan to Reduce Homelessness by 50% was launched in July 2021 and has been adopted by two counties and five city municipalities.
