

California Assembly Housing Committee

October 24, 2017

School is a Student's Sanctuary

The Teaching Profession

- 33% of all teachers are over 50
- Teacher program enrollment has dropped by 70% in 10 years
- 75% of a CSBA/LPI survey respondents revealed teacher shortages
- 50% of the respondents

worsened since 2013-14

The Housing Affordability Crisis

- Teachers want to be a part of the community where they work.
- The Bay Area housing costs are prohibitive.
- Most teachers are willing to commute until..

So Where are They Going?

- Central Valley
- Out of State
- Not entering the profession
- Leaving the profession

What are We Doing About It?

- Incentives
- District/Consortium Teacher Induction Programs
- Advocacy
- University/College Agreements
